We will be using this opportunity to share the art of story-telling and it's literary connection with the children of the community. Join in the fun as we celebrate **Read Across America**.

SPONSORS :

Join us for a fun filled day.... literary fun!

About NAJASO Reads Initiative
NAJASO Reads is an initiative in recognition of Read Across America and organized by the Read Across Jamaica Foundation and NAJASO. Members participate in a nationwide effort to honor Dr. Seuss and keep alive the Caribbean artform of storytelling made famous by Miss Lou. Our goal is to share with a diverse group of American & Caribbean children the joy of reading and to form literacy circles of edu-tainment that ultimately helps increase literacy rates.
